We are making this proxy statement available to the shareholders of Investar Holding Corporation in connection with the solicitation of proxies by its board of directors for use at the 2020 Annual Meeting of Shareholders of Investar Holding Corporation to be held at 3:00 p.m., Central time, on Wednesday, May 27, 2020, at Investar Bank, 10500 Coursey Boulevard, Third Floor, Baton Rouge, Louisiana 70816, as well as in connection with any adjournments or postponements of the annual meeting. In this proxy statement, Investar Holding Corporation is referred to as “Investar”, “we”, “our”, “us” or the “Company”, and Investar Bank is referred to as the “Bank.”

As required by the rules of the Securities and Exchange Commission, or SEC, we are making this proxy statement, our proxy card and our Annual Report on Form 10-K for the year ended December 31, 2019 (which serves as our annual report to shareholders) available to our shareholders electronically. On April 15, 2020, we posted these materials online at <http://www.proxydocs.com/ISTR>.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING, VOTING YOUR SHARES AND THE PROXY MATERIALS

Who is soliciting proxies from the shareholders?

Our board of directors, on behalf of the Company, is soliciting your proxy. The proxy provides you with the opportunity to vote on the proposals presented at the annual meeting, whether or not you attend the meeting.

When and where will the annual meeting be held?

The 2020 Annual Meeting of Shareholders will be held at 3:00 p.m., Central time, on Wednesday, May 27, 2020 at Investar Bank, 10500 Coursey Boulevard, Third Floor, Baton Rouge, Louisiana 70816. To obtain directions to attend the annual meeting, please contact Patrice Theriot by email at patrice.theriot@investarbank.com or by telephone at (225) 448-5468.

We are actively monitoring the public health and travel concerns relating to COVID-19 and the related recommendations and protocols issued by federal, state and local governments. In the event that it is not possible or advisable to hold our annual meeting in person in Baton Rouge, Louisiana as originally planned, we will announce alternative arrangements for the annual meeting as promptly as practicable, which may include holding the annual meeting solely by means of remote communication. Any such change, including details on how to participate, would be announced in advance via press release, a copy of which would be filed with the SEC as additional proxy solicitation materials and posted on our website at www.investarbank.com.

What will be voted on at the annual meeting?

1. The election of 12 directors, each to serve a one-year term;
2. The ratification of the appointment of Ernst & Young LLP as Investar Holding Corporation’s independent registered public accounting firm for the 2020 fiscal year;
3. The approval, on an advisory basis, of the compensation of our named executive officers; and
4. The approval, on an advisory basis, of the frequency of future advisory votes on the compensation of our named executive officers.

Your proxy will also give the proxy holders discretionary authority to vote the shares represented by the proxy on any other matter that is properly presented for action at the annual meeting. Our board does not expect to bring any other matter before the annual meeting and is not aware of any other matter that may be considered at the annual meeting. In addition, under our Amended and Restated By-laws (“By-laws”), the time has expired for any shareholder to properly bring a matter before the annual meeting. However, in the unexpected event that any other matter does properly come before the annual meeting, subject to applicable SEC rules, the proxy holders will vote the proxies in their discretion.

How will we solicit proxies and who bears the cost of proxy solicitation?

Our directors, officers and employees may solicit proxies by telephone, mail, facsimile, the Internet or overnight delivery service. These individuals do not receive separate compensation for these services. Also, we have retained and pay a fee to American Stock Transfer & Trust Company, LLC to perform services in connection with our common stock, including assistance with the solicitation of proxies, but we pay no separate compensation to American Stock Transfer & Trust Company, LLC solely for the solicitation of proxies. Finally, in accordance with SEC regulations, we will reimburse brokerage firms and other persons representing beneficial owners of our common stock for their reasonable expenses in forwarding solicitation materials to such beneficial owners.

Who can vote at the annual meeting?

Our board of directors has fixed the close of business on Tuesday, March 31, 2020, as the record date for our annual meeting. Only shareholders of record on that date are entitled to receive notice of and vote at the annual meeting. As of March 31, 2020, our only outstanding class of securities was common stock, \$1.00 par value per share. On that date, we had 40,000,000 shares of common stock authorized, of which 10,940,021 shares were outstanding.

If you, rather than your broker, are the record holder of our stock, you can vote either in person at the annual meeting or by proxy, whether or not you attend the annual meeting. If you would like to attend the annual meeting in person and need directions, please contact Patrice Theriot by email at patrice.theriot@investarbank.com or by telephone at (225) 448-5468. You may vote your shares by proxy via a toll-free telephone number, on the Internet or by signing, dating and mailing a proxy card that will be mailed to you if you request delivery of a full set of proxy materials. Instructions regarding the methods of voting by proxy are contained on the notice of internet availability of proxy materials.

How many votes must be present to hold the annual meeting?

A “quorum” must be present to hold our annual meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares entitled to vote at the annual meeting constitutes a quorum. Your shares, once represented for any purpose at the annual meeting, are deemed present for purposes of determining a quorum for the remainder of the meeting and for any adjournment, unless a new record date is set for the adjourned meeting. This is true even if you abstain from voting with respect to any matter brought before the annual meeting.

How many votes does a shareholder have per share?

Our shareholders are entitled to one vote for each share held.

What is the required vote on each proposal?

Proposal	Voting Options	Vote Required to Adopt the Proposal	Effect of Abstentions	Effect of Broker Non-Votes
No. 1: Election of 12 director nominees	For or withhold on each nominee	Plurality of shares voted	N/A	No effect
No. 2: Ratification of the appointment of our independent registered public accounting firm	For, against or abstain	Affirmative vote of a majority of the votes actually cast	No effect	N/A
No. 3: Approval, on an advisory basis, of the compensation of our named executive officers	For, against or abstain	Affirmative vote of a majority of the votes actually cast	No effect	No effect
No. 4: Approval, on an advisory basis, of the frequency of future advisory votes on the compensation of our named executive officers	Stockholders may select whether such votes should occur every year, every two years or every three years, or stockholders may abstain from voting	Plurality of shares voted	No effect	No effect

Although the vote is non-binding, our board will consider the outcome of the advisory vote on the compensation of our named executive officers (the “say-on-pay vote”) when establishing our compensation philosophy and in making future compensation decisions. Similar to the say-on-pay vote, the vote on the frequency of the say-on-pay vote is non-binding. Because this advisory vote has three possible substantive responses (every one year, every two years, or every three years), we will consider shareholders to have “approved” the frequency selected by a plurality of the shares voted; that is, the frequency receiving the highest number of affirmative votes.

How will the proxy be voted and how are votes counted?

If your shares are registered directly in your name, you are the shareholder of record of those shares, and these proxy materials have been made available to you by us. If you vote by proxy (either by properly completing and returning a paper proxy card or submitting voting instructions by telephone or on the Internet), the shares represented by your proxy will be voted at the annual meeting as you instruct, including any adjournments or postponements of the meeting. If you return a signed proxy but do not provide any voting instructions on the proxy, your shares will be voted at the annual meeting and any adjournments or postponements in accordance with the recommendations of the board as follows:

1. “**FOR**” the election of each director nominee.
2. “**FOR**” the ratification of Ernst & Young LLP as our independent registered public accounting firm for 2020.
3. “**FOR**” the approval, on an advisory basis, of the compensation of our named executive officers.
4. “**1 YEAR**” for the frequency of future advisory votes on the compensation of our named executive officers.

If your shares are held in a stock brokerage account by a bank, broker or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your bank, broker or other nominee that is considered the shareholder of record of those shares. As the beneficial owner, you have the right to direct your bank, broker or other nominee holding your shares in street name on how to vote your shares and must provide voting instructions to your bank, broker or other nominee, or your shares will not be voted on any proposal on which your bank, broker or the other party does not have discretionary authority to vote. The New York Stock Exchange (“NYSE”) rules determine which proposals presented at annual meetings of shareholders are “routine” or “non-routine.” If a proposal is determined to be routine, your bank, broker or other nominee has discretionary authority and may vote your shares on the proposal without receiving voting instructions from you. If a proposal is determined to be non-routine, your bank, broker, or other nominee does not have discretionary authority and may not vote your shares on the proposal without receiving your voting instructions. The ratification of Ernst & Young LLP as our independent registered public accounting firm is considered a routine matter; however, the election of directors, the approval of the compensation of our named executive officers, and the approval of the frequency of future votes on the compensation of our named executive officers are considered non-routine matters.

A “broker non-vote” occurs when a bank, broker or other party holding shares for which you are a beneficial owner returns a valid proxy, but does not vote on a particular proposal because it does not have discretionary authority to vote on the matter and has not received voting instructions from the shareholder for whom it is holding shares. If a broker non-vote occurs with respect to any matter to be considered at the annual meeting, shares that are not voted will be treated as shares present for the purpose of determining whether a quorum is present at the meeting, but will not be considered present for purposes of calculating the vote on a particular matter, or counted as a vote cast “for” or “against” a matter or as an abstention on the matter.

An abstention from voting by a shareholder who is either present in person at the annual meeting or represented by proxy will be treated as not being “cast” for purposes of such vote and will be counted neither “for” nor “against” the matter subject to the abstention. Abstentions will not affect the outcome of the vote on matters that must be approved by the holders of a majority of the votes cast or by plurality vote.

Can a proxy be revoked?

Yes. You can revoke or change your proxy at any time before it is used to vote your shares by (1) giving written notice to our Corporate Secretary before the annual meeting, (2) timely delivering to us another proxy with a later date or (3) appearing in person and voting at the annual meeting if you, rather than your broker, are the record holder of our stock. Your attendance alone at the annual meeting will not be enough to revoke your proxy. Written notice of the revocation of a proxy should be delivered to the following address: Randolph F. Kassmeier, Corporate Secretary, Investar Holding Corporation, 10500 Coursey Boulevard, Baton Rouge, Louisiana 70816.

How do I obtain a separate set of proxy materials or request a single set for my household?

We have adopted a procedure approved by the SEC called “householding.” Under this procedure, we will deliver only one copy of our notice of internet availability of proxy materials to shareholders who have the same address and last name unless one or more of these shareholders notifies us that they wish to receive individual copies. This procedure reduces our printing costs and postage fees. Although only one copy of our notice of internet availability of proxy materials will be delivered to each address, each shareholder sharing that address will continue to be able to access the proxy materials and submit his or her individual voting instructions.

If shareholders sharing an address wish to receive a separate notice of internet availability of proxy materials or if you do not wish to participate in householding in the future, please contact Randolph F. Kassmeier, our Corporate Secretary, at (504) 609-2105, or write to Mr. Kassmeier at Investar Holding Corporation, Attn.: Corporate Secretary, 10500 Coursey Boulevard, Baton Rouge, Louisiana 70816. You may also send an email to Mr. Kassmeier at randy.kassmeier@investarbank.com. If you have multiple accounts in your name or share an address with other shareholders and receive multiple copies of our notice of internet availability of proxy materials, you can authorize us to discontinue mailing multiple copies by calling or writing to or emailing our Corporate Secretary as instructed above.

Shareholders who beneficially own shares of our common stock held in street name may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who beneficially own more than 10% of a class of our equity securities registered pursuant to Section 12 of the Exchange Act to file with the SEC and The Nasdaq Stock Market, LLC (the “Nasdaq Stock Market”) reports of ownership of our securities and changes in their ownership on Forms 3, 4 and 5.

Based solely upon a review of the reports filed on the SEC’s EDGAR system, or written representations from reporting persons that no Form 5 filing was required, we believe that in 2019, all of our executive officers, directors and greater than 10% beneficial owners timely filed all reports they were required to file under Section 16(a) with the exception of Mr. Baker, who inadvertently failed to timely report five small purchases related to dividend reinvestments during 2017 and 2018. These transactions were subsequently reported on a Form 5 filed in February 2020.

BOARD OF DIRECTORS

Board Composition

Our board is currently comprised of 12 directors, each of whom was elected for a one-year term at our 2019 Annual Meeting of Shareholders held on May 22, 2019. Each of our current directors has been nominated to serve another one-year term.

The following table lists the 12 directors currently serving on our board and nominated for election to our board at the 2020 Annual Meeting of Shareholders, each of whom also serves as a director of the Bank. The information below includes a brief discussion of the experience, qualifications and skills that led us to conclude that such individual should serve as a member of our board. We believe that our board of directors consists of a diverse collection of individuals who possess the integrity, education, work ethic and ability to work with others necessary to oversee our business effectively and to represent the interests of all shareholders. The information presented below highlights certain notable experience, qualifications and skills for each director and nominee, but does not provide an exhaustive catalog of each and every qualification and skill that a director or nominee possesses.

Name	Age	Background, Qualifications and Skills
James M. Baker <i>Director since 2013</i>	65	Since 1999, Mr. Baker served as the President and CEO of TOPCOR Companies, LLC, a consolidated group of 12 specialty contracting firms servicing the infrastructure and industrial markets, with offices in Houston, Texas, Lake Charles and Baton Rouge, Louisiana, Augusta, Georgia and Tampa, Florida. In 2016, Mr. Baker sold the assets of the firms to Structural Group, LLC, a privately held firm, where he is now employed as the Vice President of a new operating entity called Structural TOPCOR, LLC. Through his business activities, Mr. Baker brings a strong sense of the business conditions in our markets that is valuable to the board. In addition, being located in Ascension Parish, Louisiana, Mr. Boyce's knowledge of this area helps us shape our policies for this and the other suburban areas of our markets. He also brings an institutional knowledge to the Bank due to his tenure on the board. Mr. Boyce is the cousin of Robert M. Boyce, Sr., one of our directors nominated for re-election at our 2020 Annual Meeting of Shareholders.

In addition to his understanding of financial matters resulting from his business experience, Mr. Walker’s knowledge and contacts in Lafayette help us to develop our strategies to further expand our presence in this area.

CORPORATE GOVERNANCE

Board Independence

Our board has determined that each of James M. Baker, Thomas C. Besselman, Sr., James H. Boyce, III, Robert M. Boyce, Sr., Robert Chris Jordan, David J. Lukinovich, Suzanne O. Middleton, Andrew C. Nelson, M.D. and Frank L. Walker is an “independent director” as defined under Rule 5605(a)(2) of the Nasdaq Stock Market Rules.

The board considered the commercial, banking, legal, charitable and familial relationships between our directors and Investar or the Bank when determining each director’s status as an “independent director” under Rule 5605(a)(2) of the Nasdaq Stock Market Rules, including the relationships listed below under “CERTAIN TRANSACTIONS.” Other than the relationships listed below under “CERTAIN TRANSACTIONS,” the board determined that these relationships did not affect the above-named directors’ status as “independent directors.” Furthermore, we are not aware of any family relationships between any director, executive officer or person nominated to become a director or executive officer other than as listed under “CERTAIN TRANSACTIONS.”

Board Leadership Structure

The board has not adopted a formal policy regarding the separation of the roles of Chairman of the Board and Chief Executive Officer because the board believes that it is in our best interests to make that determination from time to time based on the position and direction of our organization and the composition of our board. Currently, Mr. Hidalgo serves as Chairman of the Board of the Company, while Mr. D’Angelo is the President and Chief Executive Officer of the Company and the Bank. We believe that at this time, this structure (as opposed to combining the positions of Chairman of the Board and Chief Executive Officer) is appropriate for us for two primary reasons. First, having a separate board chairman allows Mr. D’Angelo to focus fully on his primary responsibilities, which include implementing our strategic plans and managing the day-to-day operations of the Company and the Bank, rather than being occupied with fulfilling the duties of the Chairman of the Board, such as scheduling board meetings and otherwise managing the board of directors. Second, we believe that having the board chairman position separate from the Chief Executive Officer allows the board of directors to more effectively fulfill its obligation to oversee our management.

Board's Role in Risk Oversight

Although the full board of directors is ultimately responsible for the oversight of our risk management processes, the board is assisted in this task by a number of its committees and committees of the Bank's board of directors. These committees are primarily responsible for considering and overseeing the risks within their particular area of concern. For example, our audit committee focuses on financial reporting and operational risk. As provided in its charter, the audit committee is required to meet regularly with management, our independent registered public accounting firm and our internal auditors to discuss the integrity of our financial reporting processes and internal controls as well as the steps that have been taken to monitor and control risks related to such matters. The Bank's credit committee is primarily responsible for credit and other risks arising in connection with our lending activities, which includes overseeing management committees that also address these risks. The Bank's asset-liability committee monitors our interest rate risk, with the goal of structuring our asset-liability composition to maximize net interest income while minimizing the adverse impact of changes in interest rates on net interest income and capital. Finally, our compensation committee, whose duties are described in more detail below, evaluates the risks that our executive compensation programs may generate.

Each committee meets regularly with management to assist in identifying all of the risks within such committee's areas of responsibility and in monitoring and, where necessary, taking appropriate action to mitigate the applicable risks. Following each committee meeting, the committee chairman provides a report at the next board meeting to the full board of directors on issues related to such committee's risk oversight duties. To the extent that any risks reported to the full board need to be discussed outside the presence of management, the board will call an executive session to discuss these issues.

We believe the board's approach to fulfilling its risk oversight responsibilities complements its leadership structure. In his capacity as Chairman of the Board, Mr. Hidalgo reviews whether our board committees are addressing their risk oversight duties in a comprehensive and timely manner. Based on the outcome of these reviews, Mr. D'Angelo assists these committees in fulfilling their duties by (1) requiring that our management team provide these committees with all requested reports and other information, as well as with access to our employees, and (2) implementing recommendations of the various board committees to mitigate risk.

Board Meeting Attendance

Our board held 15 meetings during 2019. During 2019, all of our directors attended at least 80% of the total number of board meetings and the meetings of the committees on which they served during the periods that they served. The members of the board who are "independent directors" under Nasdaq Stock Market Rule 5605(a)(2) met in executive session twice during 2019.

Although we do not have a policy requiring director attendance at our annual meeting, all of our current directors attended the 2019 Annual Meeting of Shareholders.

Board Committees

To assist in the performance of its responsibilities, our board of directors has established standing committees. These committees include our executive committee as well as our audit committee, compliance committee, compensation committee and nominating and governance committee. The board also may establish additional committees as it deems necessary or appropriate, in accordance with applicable laws and regulations and our corporate governance documents. The table below reflects the current membership of our standing committees.

**Audit committee financial expert, as defined by the SEC

Executive Committee

The executive committee has been empowered to make decisions with respect to matters under the direction and control of our board when the board is not in session. The executive committee held no meetings during 2019.

Audit Committee

The board has determined that each member of the audit committee (1) is an “independent director” as defined in Rule 5605(a) (2) of the Nasdaq Stock Market Rules, (2) meets the criteria for independence in Rule 10A-3(b)(1) of the Exchange Act and (3) satisfies the other requirements for audit committee membership under the Nasdaq Stock Market Rules. The board has determined that David J. Lukinovich qualifies as an “audit committee financial expert” under applicable SEC rules and regulations and satisfies the financial sophistication requirements under Rule 5605(c)(2)(A) of the Nasdaq Stock Market Rules. During 2019, the audit committee held nine meetings.

The audit committee assists the board of directors in fulfilling its responsibilities for general oversight of our financial reporting process. Among other things, the committee’s responsibilities include:

- monitoring the integrity of our financial reporting process and system of internal controls and overseeing the internal audit department;
- reviewing and approving the scope of the annual audit, the audit fee and the financial statements and pre-approving all auditing and permitted non-audit services;
- appointing, compensating and monitoring the independence and performance of our independent registered public accounting firm; and
- overseeing compliance with legal and regulatory requirements relating to financial reporting and auditing matters.

The audit committee has adopted a written charter, a copy of which is available at www.investarbank.com by selecting “Corporate Governance – Corporate Governance Information” under the “Investors” tab and then selecting “Audit Committee Charter.”

Compliance Committee

The board has determined that each member of the compliance committee is an “independent director” as defined in Rule 5605(a)(2) of the Nasdaq Stock Market Rules. During 2019, the compliance committee held four meetings.

The compliance committee assists the board in fulfilling its responsibilities of reviewing our operational compliance with applicable regulatory requirements and sound ethical standards. The primary duties and responsibilities of the compliance committee include:

- establishing, in conjunction with management, programs regarding operational and regulatory compliance and sound business ethics;
- overseeing our relationships with our principal regulatory authorities;
- reviewing matters relating to our employee compliance education, training and communications to help ensure that our policies and procedures on regulatory compliance and ethics are properly disseminated, understood and followed; and
- monitoring and reviewing activities to help ensure that regulatory requirements and high standards of business and personal ethics are communicated and are being met by the Company, its employees and its business partners.

The compliance committee has adopted a written charter, a copy of which is available at www.investarbank.com by selecting “Corporate Governance – Corporate Governance Information” under the “Investors” tab and then selecting “Compliance Committee Charter.”

Compensation Committee

The board has determined that each member of the compensation committee (1) is an “independent director” as defined in Rule 5605(a)(2) of the Nasdaq Stock Market Rules and (2) is a “non-employee director,” as defined in Rule 16b-3 promulgated under the Exchange Act. In determining that each member of the compensation committee is an independent director, the board considered factors specifically relevant to determining whether such member has or had a relationship with us or the Bank that materially affects the member’s ability to be independent from management in connection with the duties of a compensation committee member, including those factors listed in Rule 5605(d)(2) of the Nasdaq Stock Market Rules. The compensation committee meets with the frequency necessary to perform its duties and responsibilities. The compensation committee met a total of three times during 2019.

The compensation committee is responsible for overseeing our compensation arrangements for our executives and directors. Among other things, the compensation committee reviews and approves our overall compensation structure, policies and programs (including benefit plans) to ensure that our compensation structure appropriately incentivizes our executive officers and other employees and otherwise meets our corporate objectives. The compensation committee is also responsible for setting the compensation payable to our Chief Executive Officer and our other named executive officers and for administering our equity incentive plans and other incentive compensation plans. Except as may be limited by applicable law, stock exchange rules and its charter, the compensation committee may delegate its authority to the extent it deems necessary or appropriate. Responsibility for the ministerial or day-to-day administration of our executive compensation program has been delegated to officers of the Bank. Please refer to the “Executive Compensation” and “Compensation Tables” sections below for more information on our executive compensation arrangements and the compensation paid in 2019.

The compensation committee has adopted a written charter that sets forth its rights and responsibilities, and which is available at www.investarbank.com by selecting “Corporate Governance – Corporate Governance Information” under the “Investors” tab and then selecting “Compensation Committee Charter.”

Nominating and Governance Committee

The board has determined that each member of the nominating committee is an “independent director” as defined in Rule 5605(a)(2) of the Nasdaq Stock Market Rules. During 2019, the nominating committee held two meetings.

The nominating and governance committee oversees the process for selecting and recommending to the board persons for election as directors and administers our corporate governance policies. The committee is composed solely of members who satisfy the applicable independence requirements of the SEC and the Nasdaq Stock Market for nominating and governance committees.

When evaluating director candidates, the committee's objective is to craft a board composed of individuals with a broad mix of backgrounds and experiences and possessing, as a whole, all of the skills and expertise necessary to guide a company like us in the prevailing business environment. The committee uses the same criteria to assess all candidates for director, regardless of who proposed the candidate. Section 2.13 of our By-laws lists the minimum qualifications that any director or director candidate must possess, which include, as to such individual, the following: (1) ownership (together with his or her affiliates) of at least \$100,000 of our stock, unless the board determines otherwise; (2) satisfaction of all qualifications to serve as a director under applicable laws, rules and regulations; (3) no felony convictions or conduct inconsistent with our code of ethics or otherwise not in the best interests of us or our employees; and (4) attendance (or ability to attend) at least 80% of all board and committee meetings.

In addition to the minimum qualifications in our By-laws, the nominating and governance committee considers whether the candidate possesses the following qualifications and qualities:

- independence for purposes of the Nasdaq Stock Market Rules and SEC rules and regulations, and a record of honest and ethical conduct and personal integrity;
- experience in banking, or in marketing, finance, legal, accounting or other professional disciplines;
- familiarity with and participation in our markets;
- ability to represent the interests of all of our shareholders; and
- ability to devote time to the board of directors and to enhance their knowledge of our industry.

Although the board has not adopted a formal policy regarding the consideration of diversity when evaluating director candidates, the board believes that its membership should reflect diversity in its broadest sense. Accordingly, whenever the nominating and governance committee evaluates a potential candidate, we expect it to consider a candidate's gender, ethnicity, experience, education, geographic location, and difference of viewpoint in the context of the composition of the board as a whole.

The nominating and governance committee has adopted a written charter that sets forth its rights and responsibilities, and which is available at www.investarbank.com by selecting "Corporate Governance – Corporate Governance Information" under the "Investors" tab and then selecting "Nominating and Governance Committee Charter."

Usually, nominees for election to the board are proposed by the current members of the board. The nominating and governance committee will also consider candidates that shareholders and others recommend. In addition, a shareholder may nominate an individual to be elected to the board of directors in accordance with the requirements of the advance notice provisions in our By-laws. Shareholder nominations should be addressed to: Randolph F. Kassmeier, Corporate Secretary, Investar Holding Corporation, 10500 Coursey Boulevard, Baton Rouge, Louisiana 70816 and must be submitted to us no earlier than January 27, 2021, and not later than the close of business on February 26, 2021, for consideration as a possible nominee for election to the board at our 2021 Annual Meeting of Shareholders.

The specific requirements of our advance notice and eligibility provisions, which apply to shareholder nominations of candidates for director, are set forth in Article Eight of our By-laws, a copy of which is available upon request. Among other things, a shareholders' notice must include the following information as to each nominee:

- The reason for making the nomination;
- All arrangements or understandings (compensatory or otherwise) between or among the recommending shareholder(s) and the nominee, as well as any information that would have to be disclosed under Item 404 of Regulation S-K if the recommending shareholder (and any beneficial owner on whose behalf the recommendation has been made) was the registrant;
- All information relating to the nominee that is required to be disclosed in solicitations of proxies for the election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and

- The nominee’s written consent to being named in the proxy statement and to serve as a director if elected.

The shareholders’ notice must also set forth the name and address of the nominating shareholder and information relating to, among other things (1) all direct and indirect ownership interests (including hedges, short positions and derivatives) and economic interests in our common stock (such as rights to dividends or fees related to an increase or decrease in the value of our stock) and all proxies and other arrangements to vote our stock held by the nominating shareholder, and (2) all other information that the shareholder would be required to disclose under Section 14 of the Exchange Act and the rules and regulations thereunder in connection with the solicitation of proxies by such shareholder in a contested election. If a shareholder intends to nominate a nominee for election as director on behalf of the beneficial owner of the shares of which the shareholder is the record owner, the shareholder must also provide the information described above with respect to the beneficial owner. For additional information, refer to “SHAREHOLDER PROPOSALS FOR THE 2021 ANNUAL MEETING OF SHAREHOLDERS.”

Communications with the Board

Shareholders can send communications to the board by contacting Randolph F. Kassmeier, our Corporate Secretary, in one of the following ways:

- By writing to Investar Holding Corporation, Attn: Corporate Secretary, 10500 Coursey Boulevard, Baton Rouge, Louisiana 70816;
- By email to randy.kassmeier@investarbank.com; or
- By telephone at (504) 609-2105.

If you request information or ask questions that can more efficiently be addressed by management, Mr. Kassmeier will respond to your questions instead of the board. He will forward to the audit committee any communications concerning employee fraud or accounting matters and will forward to the full board any communications relating to corporate governance or those requiring action by the board of directors.

CERTAIN TRANSACTIONS

We have had banking transactions in the ordinary course of business with our executive officers and directors as well as their immediate families and affiliated companies, and we expect to engage in additional transactions with these persons in the future. These banking transactions include loans, deposits and other financial services-related transactions. All such banking transactions were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to the Company or the Bank and did not involve more than the normal risk of collectability or present other unfavorable features.

The following describes transactions since January 1, 2018 in addition to the ordinary banking relationships described above in which we have participated and in which one or more of our directors, executive officers or other related persons had or will have a direct or indirect material interest (“related persons” includes the persons or entities included within the definition of “related parties” discussed in the next section):

- In November 2018, the Company awarded Joffrion Commercial Division, LLC (or “JCD”), a commercial construction company owned and managed by Gordon H. Joffrion, III, one of our directors, a bid for additional renovations of the second floor of the building used as the Company’s Operations Center, which the Company purchased in 2016. Construction began in the fourth quarter of 2018. In 2018, the Company paid approximately \$0.6 million for the renovation project, which was completed in 2019, as well as for another renovation project that began in 2017 and was completed in 2018. The Company paid approximately \$0.3 million to JCD in 2019 for the completion of the renovation project.
- The Bank employs Mr. Hidalgo’s daughter as its Baton Rouge regional president. The total compensation paid by the Bank to Mr. Hidalgo’s daughter in 2018 was approximately \$398,000 and in 2019 was approximately \$365,000. Mr. Hidalgo’s daughter also participates in general welfare plans offered to employees of the Bank.

We believe that the terms and conditions of our transaction with Joffrion Commercial Division, LLC are comparable to terms that would have been available from a third party unaffiliated with us or the Bank. The compensation paid to Mr. Hidalgo's daughter is consistent with the compensation paid to similarly-situated employees of the Bank.

Policies and Procedures for the Review, Approval and Ratification of Related Party Transactions

We have adopted written policies to comply with regulatory requirements and restrictions applicable to us with respect to related party transactions, including Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve's Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal shareholders).

In addition, the Corporate Secretary follows procedures to help us determine at the end of each year whether any insider relationship or transaction has occurred that must be disclosed pursuant to the SEC's rules regarding related party transactions or that might impair a non-employee director's independence under SEC rules or Nasdaq Stock Market listing rules. These procedures include annual director and executive officer questionnaires, a survey of customer databases of the Company, as well as a review of other records, including accounts payable and payroll. The Corporate Secretary reports any insider transactions so discovered to the Audit Committee for review, approval or ratification in accordance with the policies of the Company in effect from time to time and reports other matters that would disqualify a non-employee director from meeting Nasdaq Stock Market or SEC independence requirements to the board of directors.

To further raise awareness regarding insider transactions, and to ensure the proper handling of such transactions, we have adopted various codes of conduct, including the Code of Conduct for all employees and the Code of Ethics for the Chief Executive Officer and Senior Financial Officers. These codes promote the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, and encourage covered persons to seek advice to avoid conflicts of interest. These codes are available on the Corporate Governance page of the Investors website at <https://investors.investarbank.com/corporate-governance>.

NON-EMPLOYEE DIRECTOR COMPENSATION

During 2019, our non-employee directors were compensated with an equity award for their service on the board and did not receive any cash fees. The equity award vests in one-half increments each year over a two-year vesting period. Directors who are also our employees do not receive additional compensation for their service as directors. On January 1, 2019, our non-employee directors were granted RSUs with a target grant date fair value of \$14,000, or \$25,000 for committee chairs, for their service on our board. The RSUs vests in equal installments on January 1, 2020 and January 1, 2021.

The following table sets forth compensation paid during 2019 to each of our non-employee directors.

The following discussion describes our executive compensation program for 2019 and thus does not address the impact of the COVID-19 global pandemic on the economy, our business and financial results, or our executive compensation for 2020. In light of the current business environment as impacted by COVID-19, the Company has delayed the effective date of any 2020 annual base salary increases for employees, including those for our executive officers, until June 1, 2020. The board and the compensation committee will continue to consider the evolving impacts of this global health crisis when reviewing our 2020 executive compensation program and may take steps they deem appropriate to align 2020 executive compensation with the current economic environment, which will be described in our proxy statement for next year’s annual meeting.

EXECUTIVE COMPENSATION

This discussion should be read in conjunction with the “Compensation Tables” section beginning on page 21, as it provides context to the disclosures in the tables and detail regarding our executive compensation program, which is applicable to the executive officers identified in the tables (our “named executive officers”).

The fundamental purpose of our executive compensation program is to assist us in achieving our financial and operating performance objectives. Specifically, we attempt to tailor an executive's compensation to (1) retain and motivate the executive, (2) reward him or her upon the achievement of company-wide, department and individual performance goals and (3) align the executive's interest with the creation of long-term shareholder value, without encouraging excessive risk taking. During 2019, we compensated our named executive officers through a mix of base salary, annual cash incentive awards, long-term incentive, or "LTI," awards, and other broad-based benefits, primarily consisting of retirement benefits and insurance.

Our compensation committee determines the compensation of our executive officers and recommends to our full board the amount and type of compensation for our directors, and any employment agreements, severance or termination agreements, or change of control agreements.

The compensation committee usually determines its recommendations regarding the compensation to be paid to our named executive officers at a meeting held in the first quarter of each new fiscal year. At this meeting, the committee evaluates the performance of our named executive officers during the past year and recommends adjustments to base salaries and individual incentive awards to be made for the upcoming year, including any performance objectives or other restrictions that must be satisfied as a condition of any grant or award. In addition, the committee determines the amount of our named executive officers' annual cash incentive awards for the immediately completed fiscal year and, to the extent any long-term incentive award for that year was contingent on the attainment of performance goals, determines whether and to what extent the goals have been satisfied.

Role of Our Officers Relating to Executive Compensation

Our executive officers compile and provide information, make recommendations, and assist in the management and administration of our executive compensation plans. Their responsibilities may include, but are not limited to, the following:

- Recommending pay levels and annual and long-term incentive awards for key executive officers, other than our chief executive officer;
- Recommending changes to ensure that our compensation programs remain competitive and aligned with our objectives; and
- Providing information and data to the committee, including, but not limited to: (1) information concerning Company and individual performance; (2) information concerning the attainment of our strategic objectives; (3) the common stock ownership of each executive and his or her option holdings; (4) information about equity compensation plan dilution; (5) quantification of all forms of compensation payable to our executives; and (6) peer group compensation and performance data.

Our executive officers may attend meetings at the request of the committee, but Mr. D'Angelo is not present during the deliberations of his compensation.

Use of Compensation Consultants

Under its charter, the compensation committee has the authority to retain its own independent compensation consultant. During 2018 and 2019, the compensation committee retained Blanchard Consulting Group ("Blanchard") and Hunt Financial Group ("Hunt"). Blanchard provided a market analysis used by the compensation committee in setting the base salaries of our executive officers in 2018 and 2019, and in setting the cash incentive targets and maximum opportunities for certain executive officers for 2019. Hunt was retained to evaluate the competitiveness of the compensation currently provided to our senior management team, including our named executive officers, and based on this evaluation, to advise on the implementation and augmentation of a supplemental retirement benefit and provide recommendations for total compensation benefits for such officers. As required by the SEC rules, the compensation committee assessed the independence of Blanchard and Hunt and concluded that their work did not raise any conflicts of interest.

Market Analysis. Blanchard compared the compensation for our named executive officers against a group of 14 publicly traded banks. In early 2019, the compensation committee reviewed Blanchard's market analysis in assessing the level of each element of compensation paid to our executives and approving changes to the compensation levels and annual and long-term incentive programs for our executive officers in 2019.

The 14 publicly traded companies used by Blanchard were the following:

- Allegiance Bancshares, Inc.
- Business First Bancshares, Inc.
- Capital City Bank Group, Inc.
- CapStar Financial Holdings, Inc.
- CBTX, Inc.
- First Bancshares, Inc.
- First Guaranty Bancshares, Inc.
- Guaranty Bancshares, Inc.
- Home Bancorp, Inc.
- MidSouth Bancorp, Inc.
- National Commerce Corporation
- Triumph Bancorp, Inc.
- Veritex Holdings, Inc.
- Wilson Bank Holding Co.

Retirement Benefit Review. During 2018, Hunt reviewed our executive compensation and benefits programs, and determined that (1) the Bank has performed very well relative to its peers for an extended period of time with above average asset, loan and deposit growth and a continued increase in net income over the past five years, (2) the compensation package for our executives is somewhat low relative to peers given the excellent results the Bank had sustained over several years, and (3) our retirement plans compare unfavorably to peers due to the lack of a supplemental executive retirement plan.

After reviewing the results of this analysis, in 2018 the compensation committee determined that the provision of a supplemental retirement benefit was appropriate in order for us to provide a market-competitive package of compensation and benefits and to ensure that the executives who spend all or most of their careers with us will have an opportunity to accrue a reasonable retirement benefit. In particular, with respect to Mr. D'Angelo, the compensation committee noted that the lack of a supplemental retirement benefit resulted in Mr. D'Angelo's overall compensation being lower than our peers and that based on the data provided, Mr. D'Angelo's potential retirement benefit, including the supplemental piece approved by the board, would be well within the range of retirement benefits that may be earned by CEOs of our peers. During 2019, the compensation committee once again engaged Hunt to evaluate the supplemental retirement benefits and based on recommendations from Hunt, approved increases to the supplemental retirement benefits for Messrs. D'Angelo and Hufft. See the discussion below regarding our implementation of a supplemental retirement benefit for our executives in 2018 and 2019.

Best Practices in Executive Compensation

- **Clawback Policy** - In March 2019, we adopted a clawback policy, providing for the recovery of certain excess incentive compensation paid to our executive officers and other key employees in the event we are required to restate our financial statements due to material noncompliance with financial statement reporting requirements.
- **Stock Ownership Guidelines** - In March 2019, we adopted stock ownership guidelines for our executive officers and directors, under which they are required to maintain certain levels of ownership of our common stock. The executive officers and directors have five years, or until April 1, 2024, to acquire and maintain ownership of a number of shares of common stock equal in value to the following: for our CEO, five times his annual base salary, for our CFO, three times his annual base salary, for our other executive officers, two times his or her annual base salary, and for our non-employee directors, \$200,000.
- **No Hedging** - Our executive officers and directors are prohibited from engaging in hedging transactions with respect to our securities.
- **No Tax Gross-Ups** - We do not provide our executive officers with any tax gross-ups.
- **"Double Trigger" RSU Acceleration due to a Change of Control** - Beginning in 2019, we began granting restricted stock unit, or RSU awards, to our executive officers, and these RSUs will only accelerate upon a qualifying termination occurring within twenty-four months following a change of control.

Narrative to Summary Compensation Table for 2019

During 2019, our executive compensation program consisted of the five elements described below.

Base Salary. Our board of directors sets each named executive officer’s base salary annually, based on the recommendation of the compensation committee. Base salaries are determined on the basis of management responsibilities and level of experience, as well as internal and market comparisons. In setting base salaries for our named executive officers, our compensation committee and board of directors seek to provide a reasonable level of fixed compensation that we believe is competitive with base salaries for comparable positions at similar companies. In early 2019, based on the market analysis conducted by Blanchard, the compensation committee recommended base salary increases for our named executive officers designed to more closely reflect the median base salaries of the peer group as reported by Blanchard, and also recognize each executive’s individual performance.

The following adjustments were made to the base salaries of the named executive officers effective March 2019:

Executive	2019 Base Salary	2018 Base Salary	Percentage Increase
John J. D’Angelo	\$ 480,000	\$ 450,000	6.7%
Christopher L. Hufft	\$ 255,000	\$ 230,000	10.9%
Dane M. Babin	\$ 188,131	\$ 180,030	4.5%

Annual Cash Incentives. We offer annual cash incentives to certain employees, including our named executive officers. The cash incentive is intended to encourage high levels of performance and to enable the Company to recruit, retain and motivate employees by rewarding individuals for the Company’s profitability. The amount of the annual cash incentive award and the performance goals that must be satisfied to earn the award are based on an employee’s position at the Bank and are set at the beginning of each year. The compensation committee approves the total annual cash incentive bonus that each employee is eligible to earn, while the individual performance goals are set by Mr. D’Angelo (except that the compensation committee establishes the goals applicable to Mr. D’Angelo’s award).

In March 2019, the compensation committee approved target and maximum award opportunities under our annual cash incentive program for each named executive officer. The compensation committee set the 2019 maximum award opportunity at 150% of the target awards for each executive. Based on a review of the Blanchard market analysis and given the Company’s performance, the target award opportunities were designed to move the executives closer to the median of the peer group.

The following table sets forth each named executive officer’s annual cash incentive award opportunities, the applicable metrics and relative weightings, and the award earned for 2019. Except for sign-on bonuses that we may pay in connection with the hiring of an executive officer, we do not pay discretionary cash bonuses.

Executive	Target Opportunity	Max Opportunity	2019 Performance Metrics		Award Earned
			Metrics	Weighting	
John J. D’Angelo	\$ 144,000	\$ 216,000	Bank Net Income	100%	\$ 155,115
Christopher L. Hufft	66,667	100,000	Bank Net Income	65%	67,231
			Cost Center Expenses	35%	
Dane M. Babin	23,333	35,000	Bank Net Income	60%	29,331
			Bank Deposit Growth	5%	
			Cost Center Expenses	35%	

Long-Term Incentive Awards. Long-term incentive compensation is awarded under our 2017 Long-Term Incentive Compensation Plan (the “2017 Plan”), which was approved at our 2017 Annual Meeting of Shareholders. Long-term incentive awards are intended to align the interests of our executives with the interests of our shareholders in a manner that does not encourage excessive risk-taking. The committee uses a combination of equity vehicles in the LTI program, including RSUs to provide immediate alignment of executive and shareholder interests, and stock options to incentivize longer-term performance because options have value only to the extent our share price increases during the exercise period. Our executives may receive long-term incentives in the form of one or both of these awards.

When establishing the named executive officers’ LTI target award values, the compensation committee, working with Blanchard, evaluates each executive’s performance over the previous fiscal year, and also considers the competitive positioning of the value of LTI awards granted in prior years relative to our peers, with the goal of moving our executives’ target award values closer to the median.

During 2019, the compensation committee established the LTI target award values for each named executive officer, determined the award allocation for each executive (which for Messrs. D’Angelo and Hufft, was 50% stock options and 50% RSUs, and for Mr. Babin was 100% RSUs), and approved the following grants under the 2017 Plan to our named executive officers:

Executive	Total Target LTI Value	Stock Options	RSUs
John J. D’Angelo	\$ 300,000	20,574	6,147
Christopher L. Hufft	\$ 150,000	10,273	3,073
Dane M. Babin	\$ 55,000	—	2,254

Please refer to “Compensation Tables-Outstanding Equity Awards at Fiscal Year End” for information about the terms of our outstanding stock option and RSU awards.

Perquisites and Welfare Benefits. We maintain a number of broad-based benefit plans that are available to all of our employees, including group medical, dental and life insurance plans, some of which are contributory. Our named executive officers may participate in these plans. In addition, we maintain bank-owned life insurance policies with respect to each of the Company’s named executive officers. Although Investar Bank is the named beneficiary of each of those policies, we have agreed with each of those named executive officers that if the officer dies while employed by Investar Bank, the Company will pay such named executive officer’s estate an amount equal to 130% of that officer’s salary for the year in which his death occurs out of the benefits Investar Bank receives under such policy.

Other perquisites we provide to certain of our named executive officers are an allowance for vehicle expenses and country club dues. Although these perquisites involve incidental personal value, we believe both are necessary to advance our business purposes.

Retirement and Termination Benefits. We offer our employees who have completed 90 days of service participation in a tax-qualified defined contribution 401(k) plan sponsored by the Bank, which is intended to incentivize retirement savings on a tax-advantaged basis. We match voluntary deferrals not in excess of 4% of each employee’s compensation. Our matching contributions, as well as voluntary employee deferrals, are fully vested at all times. Benefits under the plan are equal to each employee’s account balance and may be distributed upon separation from employment, generally in the form of a single sum.

As noted above, after reviewing the analysis of its independent compensation consultant, in 2018 and 2019, the compensation committee recommended and the Board approved the following changes to the executive compensation and benefits program:

- The Bank entered into Salary Continuation Agreements (the “SERPs”) with selected executives, including the named executive officers, effective February 28, 2018, which SERPs were supplemented effective May 22, 2019 for Messrs. D’Angelo and Hufft.
- The Bank purchased \$15 million of bank owned life insurance to fund the SERPs.
- The Bank entered into split-dollar life insurance agreements with each of the executives receiving a SERP.

The SERPs, as supplemented in 2019, provide that each of Messrs. D’Angelo, Hufft and Babin shall receive annual payments of \$300,000, \$187,500, and \$50,000, respectively, upon attaining the age of 65, with such payments payable monthly over a period of 120 months. Each executive is also entitled to certain reduced payments following a termination of employment prior to attaining age 65 (other than a termination due to death or with cause), which payments will be made on the same schedule as set forth above. Messrs. D’Angelo and Hufft’s SERPs provide for a lump sum payment of the normal retirement age accrual balance benefit upon a qualifying change in control. Mr. Babin’s Salary Continuation Agreement provides that any payment due in the event of an early termination is subject to vesting, with 20% of the accrual balance under the agreement vesting on each of the sixth through tenth anniversaries of the effective date. Mr. Babin’s agreement does not provide for payment upon a change in control, but provides for payment of the greater of (i) the accrual balance of his benefit at the time of termination, or (ii) \$200,000, payable in a lump sum if he is terminated without cause or terminates for good reason following a change in control. The payment of the benefits to each executive is subject to forfeiture if the executive’s employment is terminated with cause, or if under the Federal Deposit Insurance Act, the executive is subject to a final removal or prohibition order issued by an appropriate federal banking agency or the Bank is in default.

We have not entered into any change in control, severance or noncompetition agreements with any executive officer, nor are we otherwise obligated to pay any executive officer any amounts if there is a change in control of the Company or the Bank or if such executive’s employment with us terminates.

Our named executive officers' base compensation for our 2019 fiscal year is set forth below in the Summary Compensation Table in the section titled "Compensation Tables."

REPORT OF THE AUDIT COMMITTEE

The information provided in this section shall not be deemed to be “soliciting material” or to be “filed” with the SEC or subject to its proxy regulations or to the liabilities of Section 18 of the Exchange Act. The information provided in this section shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

The audit committee oversees our financial reporting process on behalf of the board of directors. Management has the primary responsibility for the preparation, consistency and fair presentation of the financial statements, the accounting and financial reporting process, the systems of internal control, and the procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Management is also responsible for its assessment of the design and effectiveness of our internal control over financial reporting. Our independent registered public accounting firm is responsible for performing an audit in accordance with the standards of the Public Company Accounting Oversight Board (United States), or PCAOB, to obtain reasonable assurance that our consolidated financial statements are free from material misstatement and expressing an opinion on the conformity of the financial statements of the Company with U.S. generally accepted accounting principles. The internal auditors are responsible to the audit committee and the board of directors for testing the integrity of the financial accounting and reporting control systems and such other matters as the audit committee and the board of directors determine.

In fulfilling its oversight responsibilities, the audit committee reviewed and discussed with management the audited financial statements of the Company for the year ended December 31, 2019 and management’s assessment of the design and effectiveness of our internal control over financial reporting as of December 31, 2019. The discussion addressed the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The committee reviewed and discussed with the independent registered public accounting firm its judgments as to the quality of our accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards including, without limitation, the matters required to be discussed by Auditing Standards No. 1301 (formerly Auditing Standard No. 16) - Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board (PCAOB) in Release No. 2012-004 (August 15, 2012). In addition, the committee received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the audit committee concerning independence, discussed with the independent registered public accounting firm its independence from management and the Company, and considered the compatibility of non-audit services with the auditors’ independence.

The committee discussed with our internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The committee met with the internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their understanding and evaluations of our internal controls as they considered necessary to support their opinions on the financial statements and on the internal control over financial reporting for the year 2019, and the overall quality of our financial reporting. The committee held nine meetings during 2019.

In reliance upon the reviews and discussions referred to above, the audit committee recommended to the board of directors (and the board has approved) that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2019 for filing with the Securities and Exchange Commission.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Fees and Related Disclosures for Accounting Services

The audit committee has appointed Ernst & Young LLP to act as our independent registered public accounting firm and to audit our consolidated financial statements for the 2020 fiscal year. This appointment will continue by decision of the audit committee and is presented to the shareholders for ratification as a matter of good governance. In the event that this appointment is not ratified by our shareholders, the audit committee will consider that fact when it selects independent auditors for the following fiscal year. Ernst & Young LLP has served as our independent registered public accounting firm since May 10, 2017.

The following table sets forth a summary of the fees billed to the Company by Ernst & Young LLP for professional services rendered for the years ended December 31, 2019 and 2018.

	2019	2018
Audit Fees ⁽¹⁾	\$ 453,280	\$ 454,570
Audit-Related Fees ⁽²⁾	—	—
Tax Fees	—	—
All Other Fees ⁽²⁾	—	—
Total	\$ 453,280	\$ 454,570

⁽¹⁾ Audit fees include fees and expenses associated with the audit of our financial statements, the review of the financial statements in our quarterly reports on Form 10-Q, and regulatory and statutory filings.

⁽²⁾ Certain amounts disclosed in the 2019 proxy statement related to payments made to our former independent public accounting firm have been removed from this table.

In accordance with the procedures set forth in its charter, the audit committee pre-approves all audit, audit-related, tax and permitted non-audit services (including the fees and terms of those services) to be performed for us by our independent registered public accounting firm prior to its engagement with respect to such services, subject to the de minimis exceptions for non-audit services permitted by the Exchange Act, which are approved by the audit committee prior to the completion of the audit. During 2019, none of those services required use of the de minimis exception to pre-approval contained in the SEC's rules. The Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditor, provided that such approvals are ratified by the Committee.

Biographical information about each is set forth above under "BOARD OF DIRECTORS." If for any reason one or more of the nominees is not available as a candidate for director, an event that the board of directors does not anticipate, the proxy holders will vote, in their discretion, for another candidate or candidates nominated by the board.

Required Vote. Directors are elected by a plurality vote; the nominees who receive the highest number of votes cast, up to the number of directors to be elected, are elected.

Our board of directors unanimously recommends a vote "FOR" the election of each of the 12 nominees for director to the board of directors.

Proposal No. 2 - Ratification of the Appointment of Ernst & Young LLP as our Independent Registered Public Accounting Firm for the 2020 fiscal year

We are asking our shareholders to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the 2020 fiscal year. Although current law, rules and regulations, as well as the charter of the audit committee, require the audit committee to engage, retain and supervise our independent registered public accounting firm, we view the selection of the independent registered public accounting firm as an important matter of shareholder concern and thus are submitting the selection of Ernst & Young LLP for ratification by shareholders as a matter of good corporate practice. If our shareholders fail to ratify this appointment, the audit committee will reconsider whether to retain Ernst & Young LLP and may retain that firm or another firm without resubmitting the matter to our shareholders. Even if the appointment is ratified, the audit committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change would be in our best interests and in the best interests of our shareholders. A representative of Ernst & Young LLP is expected to be present at the 2020 Annual Meeting of Shareholders to respond to appropriate questions and will also have an opportunity to make a statement if they desire to do so.

Required Vote. The affirmative vote by a majority of votes actually cast at the annual meeting is required for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm.

Our board of directors unanimously recommends a vote "FOR" the ratification of Ernst & Young LLP as our independent registered public accounting firm for the 2020 fiscal year.

Proposal No. 3 - Approval of the Compensation of our Named Executive Officers.

This year, the Dodd-Frank Wall Street Reform and Consumer Protection Act (“the Dodd-Frank Act”), enacted in July 2010, requires for the first time that we provide our shareholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the rules of the SEC. This vote is not intended to address any specific compensation arrangement or amount, but rather the overall compensation of our named executive officers and our compensation philosophy and practices as disclosed under the “Executive Officer Compensation” section of this proxy statement. This disclosure includes the compensation tables and narrative discussion following the compensation tables. Shareholders are asked to vote on the following resolution:

RESOLVED, That the shareholders of Investar Holding Corporation (“the Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for the 2020 annual meeting of shareholders pursuant to Item 402 of Regulation S-K of the rules of the Securities and Exchange Commission.

We understand that our executive compensation practices are important to our shareholders. Our core executive compensation philosophy continues to be based on pay for performance, and we believe that our executive compensation program is strongly aligned with the long-term interests of our shareholders.

In considering how to vote on this proposal, we encourage you to review the compensation tables and the narrative discussion preceding the compensation tables regarding our executive compensation program. Although this advisory vote, commonly referred to as a “say-on-pay” vote, is not binding, our Board and our Compensation Committee value the opinion of our shareholders and will consider the outcome of the vote when evaluating our executive compensation program.

Required Vote. The affirmative vote by a majority of votes actually cast at the annual meeting is required for the approval of the compensation of our named executive officers.

Our board of directors unanimously recommends a vote “FOR” the approval of the compensation of our named executive officers.

Proposal No. 4 - Approval of the Frequency of the Vote to Approve the Compensation of our Named Executive Officers.

The Dodd-Frank Act also provides that shareholders must be given the opportunity to vote, on a non-binding, advisory basis, as to their preference on how frequently we should seek future advisory votes on the compensation of our named executive officers as disclosed in this proxy statement in accordance with the rules of the SEC. Accordingly, we are asking our shareholders to indicate, on a non-binding, advisory basis, whether they would prefer an advisory vote on the compensation of our named executive officers to occur every one, two or three years. Shareholders also may, if they wish, abstain from casting a vote on this proposal.

Our Board recommends that we hold an advisory vote on the compensation of our named executive officers every year. In formulating its recommendation, our Board considered that an annual advisory vote on executive compensation will allow our shareholders to provide us with direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement every year. However, shareholders should note that because the advisory vote on executive compensation occurs well after the beginning of the compensation year, and because the different elements of our executive compensation program are designed to operate in an integrated manner and to complement one another, in many cases it may not be appropriate or feasible to change our executive compensation program in consideration of any one year’s advisory vote on executive compensation by the time of the following year’s annual meeting of shareholders.

Our Board and the Compensation Committee will carefully consider the outcome of the vote when making future decisions on the frequency of advisory votes on executive compensation. However, because this vote is advisory and not binding, our Board may decide that it is in the best interests of our shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency that has been selected by our shareholders.

Required Vote. The proxy card provides shareholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the Board. Because this advisory vote has three possible substantive responses (every one year, every two years, or every three years), we will consider shareholders to have “approved” the frequency selected by a plurality of the shares voted; that is, the frequency receiving the highest number of affirmative votes.

Our board of directors unanimously recommends a vote to hold an advisory vote on the compensation of our named executive officers every “ONE YEAR.”

SHAREHOLDER PROPOSALS FOR THE 2021 ANNUAL MEETING OF SHAREHOLDERS

At the annual meeting each year, the board of directors submits to shareholders its nominees for election as directors. In addition, the board may submit other matters to the shareholders for action at the annual meeting. Shareholders may also submit proposals for action at the annual meeting.

Proposals for Inclusion in Our Proxy Statement

Shareholders interested in submitting a proposal for inclusion in our proxy materials for the 2021 Annual Meeting of Shareholders may do so by following the procedures described in Rule 14a-8 of the Exchange Act. If the 2021 Annual Meeting of Shareholders is held within 30 days of May 27, 2021, shareholder proposals must be received by John J. D'Angelo at 10500 Coursey Boulevard, Baton Rouge, Louisiana 70816, no later than the close of business on December 16, 2020 in order for such proposals to be considered for inclusion in the proxy statement and form of proxy relating to such meeting.

Proposals to be Introduced at the 2021 Annual Meeting of Shareholders

For any shareholder proposal to be presented in connection with the 2021 Annual Meeting of Shareholders but without inclusion in our proxy materials, including any proposal relating to the nomination of an individual to be elected to the board of directors, a shareholder must give timely written notice thereof in writing to our corporate secretary in compliance with the advance notice and eligibility requirements contained in our By-laws. To be timely, a shareholder's notice must be delivered to Randolph F. Kassmeier, our Corporate Secretary, at 10500 Coursey Boulevard, Baton Rouge, Louisiana 70816 not less than 90 days nor more than 120 days prior to the first anniversary of the immediately preceding year's annual meeting. If, however, the date of the annual meeting is advanced by more than 30 days or delayed by more than 90 days from such anniversary date, notice by the shareholder to be timely must be so delivered not earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or, if public announcement of the date of such meeting is made less than 120 days in advance, the 10th day following the date of the first public announcement of the date of such meeting. The notice must contain information specified in our By-laws about each nominee or the proposed business and the shareholder making the nomination or proposal.

Under our By-laws, based upon the meeting date of May 27, 2020 for the 2020 Annual Meeting of Shareholders, a qualified shareholder intending to introduce a proposal or nominate a director at the 2021 Annual Meeting of Shareholders but not intending the proposal to be included in our proxy materials must give written notice to our Corporate Secretary not earlier than the close of business on January 27, 2021 and not later than the close of business on February 26, 2021.

The advance notice provisions in our By-laws also provide that in the case of a special meeting of shareholders called for the purpose of electing one or more directors, a shareholder (who otherwise satisfies the conditions set forth in our By-laws) may nominate a person or persons (as the case may be) for election to such position if the shareholder's notice is delivered to the Corporate Secretary at the above address not earlier than the 120th day prior to the special meeting and not later than the close of business on the later of the 90th day prior to the special meeting or, if public announcement of the date of such meeting is made less than 120 days in advance, the 10th day following the date of the first public announcement of the date of the special meeting and of the nominee(s) proposed by the board of directors to be elected at such meeting.

The specific requirements of our advance notice and eligibility provisions are set forth in Article Eight of our By-laws, a copy of which is available upon request. Such requests and any shareholder proposals should be sent to Randolph F. Kassmeier, Corporate Secretary, 10500 Coursey Boulevard, Baton Rouge, Louisiana 70816.
