## Investar Holding Corporation Announces Additional Authorization under Share Repurchase Program

**Baton Rouge, La., August 27, 2020 (GLOBE NEWSWIRE)** - Investar Holding Corporation (the “Company”) (NASDAQ:ISTR), the holding company for Investar Bank, National Association, today announced that the Board of Directors has approved another 300,000 shares of the Company’s common stock for repurchase under a stock repurchase program, in addition to 62,000 shares remaining under the current repurchase program. The additional shares authorized for repurchase represent approximately 3% of the Company’s outstanding common stock. Recent stock buyback activity includes 134,861 shares that were repurchased by the Company during the third quarter of 2020 at an average price of \$14.09. The Company plans to repurchase its shares in open market transactions from time to time or through privately negotiated transactions in accordance with federal securities laws, at the Company’s discretion. The repurchase program, which has no expiration date, may be suspended or terminated at any time.

“We believe that our stock is a good value, and stock buybacks are a tax-efficient way to continue to increase shareholder value and earnings per share,” stated John D’Angelo, President and CEO.

The timing and amount of any share repurchases will depend on a variety of factors, including the trading price of the Company’s common stock, securities laws and other regulatory restrictions, potential alternative uses for capital, and market and economic conditions. Repurchased shares will become treasury shares and may be reissued in connection with the Company’s stock incentive plans, other compensation programs, other transactions, or for other corporate purposes. The repurchase program does not obligate the Company to repurchase any shares and will remain in effect until fully utilized or until modified, suspended or terminated.
