The estimated pre-tax impact to the Company’s net income will be an addition of \$3.1 million for the three months ending March 31, 2025, which reflects the settlement amount less estimated expenses of \$0.3 million. The funds received in the settlement will be recognized in the Company’s consolidated financial statements as a recovery of loans previously charged off. At March 20, 2025, the Company’s other real estate owned related to this relationship included two remaining properties with a total cost basis of \$1.7 million, which the Company is actively marketing for sale. Upon sale of these properties, the Company will have arrived at final resolution of this loan relationship.
